DR. MORSE'S INVIGORATING CORDIAL has cured, and is constantly curing, these complaints—relieving the mental and bodily incapacity of the unfortunate sufferer, as the following testimony of the names received will conclude

the following testimony of the names received will conclusively show:

Dr. Woodward, of ——, Massachusetts Insann Hospital, writer of one of his patients being cured by using this Cordial thus. "It gives me pleasure to inform you that one of my patients, while in Boston, precured some of your Cordial. He tells me that he has not had a single emission cinco be commenced taking it, while before he had two or three a week. When he applied to me, says Dr. W., "I thought it hardly possible for him ever to regain his full strength. I prescribed the usual medicine used in those cases in the hospital, but they had no effect. In the mean time he purchased some of your Cordial, which has effected a cure I am sure no other medicine would. I shall ever recommend it, whenever an opportunity occars."

The nature of the maladies releved by this Cordial are generally such as to leave the publication of certificates of cures out of the question. The proprietor could produce a host of the most conclusive testimeny to show that the great reputation it enjoys was not accidentally obtained, but is firmly based upon its positive and apparently wirraculous circuss. In all directions are to be found the happy parents of healthy offsprings, who would not have been so but for

for many diseases for which it is recommended.

THE MEDICAL JOURNALS
have not, in a single instance that has been authenticated, given their sauction to any other preparation for the above complaints. It has, in many violent and desperate cases, effected radical cures, after patients had been abandoned, and their condition pronounced hopeless by medical practitioners of high professional character.

THE COMMON EXPRESSION

et those who have used this Extract is: "I had heard your Cordial highly spoken; i, but was one of the incredulous in regard to its merits, having tried various medicines sold for the sazie purpope, (different Sarenparillas, without deriving any benefit. I had almost given up-all hope of obtaining relief, when I purchased some of your Cordial. I had no faith whatever of its benefiting me—but it has. Another says. "I had conculted several distinguished physicians. Some said I could not be cured; others prescribed this thing and that, but I found no relief until I procured some of your Confist. I must say is completely cured by:

Another says: "I was surprised at the effect your Cordial had. Why had I not heard of it before? It would have saved me so much expense, besides years of mental and bodily sufficing."

CAUTION—Ask for Dr. Morae'z therdial, and take no other, as there are worthless imitations which its unrivalled excellence, fame, and popularity have brought into the market. It will not hust the most delicate female, but do good. Beware of all other Cordials, &c., and try only this.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitais of foordon, Paris, Philadelphia, and clsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and bead when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

TAKE PARTICULAR NOTICE. Pr. J. addresses all those who have injured themselves by private and improper indulgences, that excet and solitary habit, which ruin both body and mind, unfitting them for

either business or society.

These are some of the sad and melancholy effects produced These are some of the sad and melanchely effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsis, Kervous Irritability, Derangement of the Digestive Functions, General Debliity, Symptoms of Consumption, &c., &c.

Mentally.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Heas, Depression of Spirits, Evil Ferebodings, Aversion of Society, Self Distruct, Love of Solitude, Timidity, &c., are some of the evils produced.

Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY.

Weakness of the system, Nervous Debility and premature decay generally arise from the destructive habit of youth, that solitary practice se fatal to the healthful existence of man, and it is the young who are most apt to become its Victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sens and wards. Alas! how often do they asyrbe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepria, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption, also those serious Mental effects, such as loss of Memory, Depression of Spirits, or peculiar fits of Melancholy, when the truth is, they have been caused by indulging in Fernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence theusands who might have been of use to their Country, a pleasare to their friends, and ornaments to Society.

DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

This grand and important Remedy has restored strength and vigor to thousands of the most debilitated individuals, many who had lost all hopes, and been abandoned to dis. By its complete invigoration of the Nervous Systom, the whole faculties become restored to their proper power and functions, and the fallen fature of life is raised up to beauty, consistency and duration, upon the ruins of an emaciated and premature decline, to sound and prictime health. Oh, how happy have hundreds of misguided youths been made, who have been suddenly restored to health from the devastations of those terrific maladies which result from indiscretion! Such persons, before contemplating

MARRIAGE,

should reflect that a sound mind said bedy are the most necessary requisites to promote connubial happiness. Indeed, without this, the journey through life becomes a weary piligrimage; the prospect hearly darkens to the view; the mind becomes abadewed with despair, and filled with the melanthy reflection that the happiness of another becomes blighted with our own.

TAKE NOTICE.

It is with the greatest reluciance that Dr. Johnston permits his card to appear before the public, deeming it currecessional for a physician to advertise; but unless he did so, the afflicted, especially strangers, could not fail to fail into siciana, ignorant quacks, who keep you trifling menth after month, as long as possible, and in despair leave you with ruleed health to sigh over your galling drappointment. It is this motive alone that induces Dr. J. to advertise, for headers can cure you.
